Sir,

Sub:- ELECTRICITY - Extension of electric lights within Municipal Limits.

Ref:- Municipal Council's Resolution No. 8 dated 27-6-53.

I submit herewith a copy of Municipal Council's Resolution No. 8 dated 27-6-1953 and to state that as already resolved by the Municipal Council, the Government Electricity Department was requested to extend electric lights upto Municipal limits. In response to my above request, the Superintending Engineer, Pykara Electricity System, Coimbatore in his letter No. AQ/4P/1(a)/1240 dated 13-6-1953 has requested to pay a loan of Rs. 300/- being Council's share in order to execute the work expeditiously. In this connection, I may submit that the Council is receiving loans from Government at 3½% interest for the execution of various schemes and works undertaken by the Council. When the Municipality is going in for loans, it is not possible to give loans to Government for the execution of works taken up by Government Electricity Supply System. In view of the poor finances of the Council, I request that the Government may be pleased to exempt the Municipality from payment of loan and the Government may be pleased to execute his extension of lighting as already resolved by the Council and thus enable it to discharge one of its legitimate duties like of providing lighting amenities to the tax-payers.

Commissioner-Delegate.

Forwarded,

Chairman,

Also Municipal Council's Resolution No. 17 dated 28-7-51 and Lighting Committee's resolution No. 3 dated 29-8-52 and other connected papers in file C.No.4465/51.

NOTE:- The Municipality takes loans from Government at 3½% and to give a loan of Rs.300/- to Electricity Department at 3% may no be healthy financing.
